Class of '22 has proven itself resilient

Principal Michelle Falk says the pandemic taught this year's class to be persistent

By **RIDDHI PATEL**
Reporter

Wakulla High School principal Michele Falk would describe the Class of 2022 as resilient, persistent, and determined. Due to the pandemic, "they've had to learn to be," said Falk. With this being the class in 10th grade at the start of the pandemic, she said they had to be persistent in completing graduation requirements like FSA testing at later dates.

One major accomplishment of the Class of 2022 was that no student had any discipline-related issue that would prevent them from graduating with their class. This was announced by Wakulla Superintendent Bobby Pearce at the Senior Awards Ceremony and also mentioned by Falk. "They were

hardworking, they were leaders, and they were great all-around students," said Falk. She said the students were well rounded, and that they simultaneously excelled in many ways including academics, athletics, certifications, and more. "This is a great group of kids."

"I enjoyed working with the senior class officers this year," said Falk. She commended their focus on leadership and advocacy as representatives of this year's graduates. "They are all going to do well in the future."

Advice that Falk would give to this year's graduating class as they embark on the next leg of their journey is: "Don't be scared to take risks." She hopes they "see the potential that they have and believe in it."

"I just look forward to what their future holds."

Congratulations, graduates

Go forth and make us proud

On behalf of the Wakulla County School Board and all faculty and staff members, I would like to congratulate our Senior Class of 2022 on completing their senior year and receiving their diploma.

Your journey through the Wakulla County School System is almost complete. It is our hope that the education you have received will serve you well as you move on to the next phase of your lives.

We also hope that you have made many fond memories as you traveled from elementary school all the way to your final days at Wakulla High and

the Wakulla Institute.

As you move forward, we challenge you to make a difference – each of you in your own way – and to remember the lessons taught to you by your parents, grandparents, family members, teachers and friends. You truly are our hope for the future!

So, go forth and make us proud. And remember to always be true to the red, white, and blue.

Go War Eagles!
