Welcome back, students and parents from Superintendent of Schools Bobby Pearce

Welcome back to all Wakulla students for the 2024-25 school year!

The teachers, administrators and staff are all looking forward to seeing our returning students and to welcoming the new ones to our system in pre-kindergarten, kindergarten, and other grades where students have just moved into our school district.

I look forward to another successful school year with the best students, parents, and educators in the state. The teamwork contributes to making our school system one of the best in Florida and in the nation. Our continued success remains dependent on this special relationship.

As we begin this new year, our abil-

School Superintendent
Bobby Pearce

ity to work together as a community will be critical. Compassion, grace, courtesy and understanding will be essential traits that we all must display if we are to successfully open school and work towards the safety of everyone involved in educating our students.

There will be many challenges for all of us as we work together to ensure a quality educational experience for all

of our students. Even the best-made plans do not always go as smoothly as we would hope. Remaining calm and focused on a safe re-opening will be our goal!

The one thing that I know about our great county is the dedication of our citizens to our students and our school system as a whole. I am confident we will be successful working together.

Wakulla County is a special place made up of special people! With such a value placed on education and a motto of "Committed to Success," we hope that 2024-25 is your best year yet despite these unprecedented times!

Sincerely,

Bobby Pearce
Superintendent

School bus safety for bus riders

Many students take the bus to school twice a day, five days a week. Approximately 26 million elementary and secondary school children ride school buses daily in the United States, and the U.S. Department of Transportation says more than 50 percent of all K-12 students in the country ride yellow school buses, traveling approximately 4 billion miles each year.

The vast majority of these miles are traveled without incident. In fact, according to the National Safety Council, the national school bus accident rate is 0.01 per 100 miles traveled, compared to 0.96 for other passenger vehicles, which makes school buses considerably safer than other passenger vehicles.

Though school buses are safe, there are other ways to make them even safer. Children, especially those new to school buses, may find the bus fun and unique and not pay attention to simple safety rules.

But parents should take steps to ensure that youngsters always heed the following school bus safety guidelines.

- Wait for the bus in a safe location that is away from traffic, ideally staying in a designated school bus stop until the bus arrives.
- Dress for optimal visibility, especially in inclement weather when it can be difficult for the school bus driver and other motorists to see pedestrians.
- Do not board the bus until it comes to a complete stop. Wait for the driver to open the door, which engages the "Stop" sign for oncoming motorists.
- Use the handrail and enter the bus in an orderly manner.
- Promptly find a seat, sit down and buckle the safety belt if there is one available. Students assigned seats on the bus should take their seat without making a fuss.
- Keep backpacks and other belongings out of the center aisle. Store them under your seat or on your lap.
- Remain seated at all times while the bus is in motion.
- Keep arms, hands, legs, and heads inside of the bus at all times.
- Always follow the driver's instructions and avoid situations that will cause driver distraction.
- Wait for the bus to stop completely before standing up or attempting to exit.
- Exit the bus in an orderly manner, without pushing fellow passengers.
- Only cross the street in front of the bus. It is very difficult for the driver to see students crossing behind the bus.
- Wait for the driver to check traffic before crossing the street and be on the lookout for inattentive motorists.

SHERIFF JARED MILLER

2024-2025 SCHOOL BUS ROUTES

Transportation Department & Bus Routes

The goal of the Transportation Department is to provide safe, efficient student transportation to and from school and school-related activities. All buses are equipped with air-conditioning, a two-way radio and monitored with video cameras.

On ALL early release dates, expect your children to arrive home approximately 2 hours early if riding the school bus.

Please read the WCSB Bus Safety Rules and Parent Tips

Transportation Dept Contacts: Bus Garage Phone: (850) 926-7550

Faith Tabares - Routing Secretary or Pat Jones - Transportation Director
Bus route information will be available at all of the school centers during open house.

PLEASE BE AT STOP 5 MINUTES PRIOR TO THE DESIGNATED PICKUP TIME.

New teachers get training for school

Wakulla High School's administrators and new teachers.

Riversink Elementary School's administration and new teachers.

Shadeville Elementary School's new teachers.

Wakulla Middle School's new teachers.

Riversprings Middle School's new teachers.

Wakulla Institute's new teachers.

Crawfordville Elementary School's new teachers.

Staff Report

Wakulla County Schools held a training on Thursday, Aug. 1, for all new teachers.

The teachers were given presentations on a number of things,

including the software used for professional development and the benefits of joining the local teacher's union, so they'd be completely up to speed on how things run. All of this is so that when students go back to school on August 12th

these new teachers can seamlessly join the team at their respective schools and get the year off to as smooth a start as possible, feeling welcomed and supported by those around them.

Anyone who wishes to help

these teachers or the veterans who have worked in our schools for years can go on the Wakulla School District website for lists of needed materials for the classroom.
